We're delighted to introduce two new members of the Carers Centre team!

They are both looking forward to getting to know carers across
Telford and Wrekin and supporting the development of our services.
Please join us in giving them both a very warm welcome.

WHAT WE'VE BEEN UP

Our Carers have had a busy few months! There have been the usual well-being walks, coffee and catch ups, games days, as well as guest speakers, high ropes and Halloween craft events. We also held our spooktacular annual Charity Day Fundraiser in Telford Town Centre - huge **thank you** to all who popped along and joined in with the day's events!

Let's Discuss Communication!

Communication is a prevalent concern we often hear about from unpaid carers. Many express that communication across services is inadequate, and accessing information can be both challenging and time-consuming. This situation can result in feelings of anger, frustration, hopelessness, and dismay.

We acknowledge that this is a significant issue. It was highlighted at the recent Carers Partnership Board and will be prioritised as we work towards improvements and drive change. It's crucial that effective communication becomes a reality, not just a hope, for all unpaid carers in Telford and Wrekin.

If you have any thoughts or ideas on how we can enhance communication throughout the borough, we would love to hear from you. Feel free to reach out to us through the usual channels, either by phone or email, or social media

Did you know that if you're a carer in receipt of carer's allowance, or are the main carer of an elderly or disabled person, you are eligible for a free flu vaccine to protect your health and the health of the people/person you care for?

Getting flu is miserable at the best of times, but for vulnerable people it can be very serious and many people die each year from flu. It's has arrived early this year, and Australia, which gets the flu season earlier than us, has experienced its worse flu season

The flu vaccine is safe, free and will help protect people over winter. You can book <u>here</u>.

More information on the flu vaccine for carers is available here: <u>Flu vaccination</u>

Carers Rights Day 2025

We were supported by volunteers from Phoenix Group, facilitated by Employee Volunteering, who very kindly gave up their time to help and made a very generous donation to make the day possible! employee volunteering

"I felt truly valued being recognised as a carer by the service. The time I spent in the Family Zone made me feel like a priority for the day, which is a rare experience. The treatment offered was a lovely opportunity to pause, breathe, and focus on myself.

The staff were particularly great at making the day feel personal, and I genuinely felt celebrated as a carer." - Carer Feedback

Big thanks to our volunteer Amber for giving up her time to help with the Maples

Brunch!

Huge congrats to Alan and Helen, our quiz champions! Please enjoy your prizes of eternal bragging rights and the warm admiration of everyone else who almost had those answers!

What an exciting few weeks we have had at the new Sunflower Café in Brookside! We have been warmly welcomed into the centre and we are now ready to offer a community café, groups and support for everyone who visits!

Alongside our daily café service, we continue to offer our catering offer. We are now providing buffets for corporate events, as well as cakes for special occasions. We are pleased to be supporting another local community with a healthy, affordable menu and weekly support sessions.

A big thank you to our volunteers who moved over to Brookside with us. Their hard work and commitment throughout the move has been hugely appreciated!

The café continues to be a calm and welcoming Safe Space. Our weekly sessions are ongoing, including the soup kitchen, the over-65 meal offer and the After-School Art Club. These activities bring people together and offer simple ways to connect and take care of wellbeing.

As we look ahead, we remain committed to providing a safe, friendly place for everyone and supporting the local community through our services and activities.

To find out more about our café, events or catering services, please drop in and see us, or visit our Facebook page for updates. We look forward to welcoming you soon!
